

Government of Bihar
Department of Revenue & Land Reforms
(Directorate of Land Records & Survey)

No. - 17-Land Records(Online)-281/2013. ⁴⁰⁴ Patna, dated :- 05/04/13

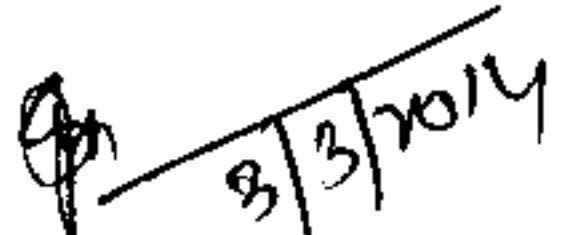

Notice

Ref :- Tender notice no.- 02/2013-14 regarding conversion of .shp data into pdf data under the digitization of revenue survey map sheets.

Details of pre-bid meeting held on 03-03-2014 at 11:00 AM :-

Sl. No.	Queries of bidders	Clarification made by the department
1	Submission of hard copies of data after conversion in pdf.	Not required. Bidders have to submit only soft copies of pdf data.
2	Time limit for completion of project.	Three calendar months from the date of agreement.
3	Consortium or joint ventures shall be permitted.	Physical shape and size of project is not enough for permitting consortium or joint ventures.
4	Experience of work in private offices shall be permitted.	Digitization of revenue maps and conversion of data in pdf is a very sensitive nature of work. In this project accuracy is the point of highest concern. Therefore working experience under private companies shall not be considerable.
5	How many agencies will department engage for this project.	It shall depend upon the number of qualified bidders. The department shall empanel the qualified bidders.
6	The signature of the settlement officer as appearing in the original mother sheet has to be inserted into the digitized template in raster form as it is before converting into pdf.	Qualified bidder don't have perform any additional activity. After conversion of .shp data into pdf data, the signature available on the map sheet should be in clarity. There should be no marginal deviation in any legends/template/ signature which is visible in .shp data.
7	Relaxation should be permitted for EPFO and ESIC	Registration under EPFO and ESIC is a requirement of Govt. of India. The department will act according to the rules.

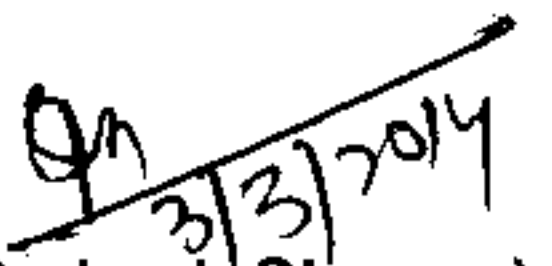

8	Can earnest money inform of DD be made from private bank as well.	No. Only from nationalized bank.
9	The eligibility criteria of tender document, department has already asked for 2 similar types of projects. When point already covers the next point which is point then this point should be removed as it will create ambiguity.	For experience bidders shall upload certificates from any govt. department. For experience in revenue survey maps bidders have to upload certificate regarding digitization of cadastral maps. Therefore, para "d" & "e" is different in nature of experience.
